COLLEGE MISSION

We at GMACS College offer quality higher education to students and INSPIRE them to realize their fullest potential for lives of leadership and service in a global society through curricular and co-curricular courses of recognized excellence.

COLLEGE VISION

We will be one of the best colleges preferred by students for its excellent learning experience and delightful environment.

COMMITTEES

Committees are framed to implement the College Mission. The College Mission will act as the benchmark for setting as well as evaluating the objectives, goals and targets of the committees. There are three types of committees framed in this college-

(a) Statutory committees-
(b) Non-statutory committees and
(c) Ad-hoc committees

Statutory committees are those that are constituted as per the provisions of University Statutes, government rules and stipulations of higher authorities like UGC. The tenure and constitution of these committees will be determined by the G.B. as per rule.

Non-statutory committees are those that are appointed by the Principal in order to bolsterthe college administration.

Ad-hoc committees are those that are framed on purely temporary basis for performingcontingency duties.

The members of the non-statutory Committees can be changed/ replaced by the Principal in consultation with the College Administration. These committees may be further split for convenience of functioning. The Office Superintendent (O.S.), in consultation with appropriate bodies, will finalize names of non-teaching staff members of non-statutory committees whose functions are mostly administrative.

Committees are constituted to stream line the college administration. They are supposed to execute curricular, co- curricular and extra – curricular activities and smoothen the functioning Of the college administration. They shall work towards achieving the college mission.
